Name in print

Original: Admission's office Copy: Applicant and study counsellor/programme director

The form is sent/handed to the study counsellor of the study programme  
Address: Linköpings universitet, 581 83 Linköping

#### Ranking on return

Applications for return to the master's programme after the student demonstrated the entry requirements in the form of a Bachelor's degree are handled regularly by the programme director. Applicants are ranked according to the date they submitted the application for return to the program.

#### Individual Study Route

When the programme director has granted return to the programme an individual study route will, after consultation with the student counsellor, be drawn up for the student in the case the return means that the student will study courses in another order than specified in the curriculum.
